

Make an Impact. Change Lives. Reach for the sky.

The Krazy Kosci Klimb is an incredibly unique, life changing event hosted by Cerebral Palsy Alliance (CPA).

Made up of 16 teams, over 200 people summit Australia's highest peak, Mount Kosciuszko. Each team consists of a lead participant being a child or young adult with disability, together with their support crew of family members, a corporate sponsor, and a CPA team leader. The teams fundraise and over the last 13 years the Krazy Kosci Klimb has raised over \$3 million. This has funded the Health and Wellbeing Program at Cerebral Palsy Alliance, providing essential funding for qualified exercise physiologists, specialised equipment, supporting sports programs for teenagers and adults with disability.

The following pages detail sponsorship opportunities for corporate support and employee engagement. Hear from our previous corporate partners [here](#).

“

This weekend did more than just challenge me... it inspired me, broke me, fixed me, and helped me expand my perspective on life, a bit more... I'm deeply grateful for the experience.

*Please note: if the fundraising commitment is not met by the end of the event (1st March 2026) the Corporate Sponsor will be invoiced for the difference (this amount does not include any funds raised by Lead Team Participant family)

Check Point Sponsorship

(Opportunity for 4 Employees)

\$5,000 (+GST)

+ \$500 PER PERSON MINIMUM FUNDRAISING GOAL

Your employees can play an important role in this once-in-a-lifetime opportunity for children with disability. Several check points are located along the climb, and each year these are themed and provide a welcome rest for the climbers with snacks, music and plenty of fun! Your employees will have the chance to work alongside our team managing a Checkpoint – a great way to be involved in the day, support our amazing climbers, and use their creativity and enthusiasm to bring the Checkpoint to life!

Checkpoint Sponsorship Benefits

At the event:

- Opportunity for 4 employees to join the Kosci experience working alongside the CPA team and volunteers managing a Checkpoint along the course
- Opportunity to meet and connect with participants, their families, and other corporate volunteers over the course of the weekend
- Opportunity to theme or activate your checkpoint and provide giveaways for participants
- Lodge accommodation, all meals and drinks for the weekend for your 4 nominated employees

Currently 15% of the world's population is living with disability. Every 20 hours an Australian child is born with cerebral palsy. It is a permanent life-long condition caused by damage to the developing brain. It is the most common physical disability in childhood, there is no pre-birth test and there is no known cure.

We rely on the generosity of our donors and corporate partners to fund events like the Krazy Kosci Klimb, to turn dreams into a reality.

Thank you

We would be thrilled to discuss your business objectives and work with you on a tailored sponsorship. If this opportunity is of interest, please get in touch.
